## A Celebration of Community

The mission of the ADAF is to provide a dynamic annual celebration that simultaneously honors Aaron Douglas while showcasing central Topeka and regional artistic talent.

The ADAF offers children the opportunity to immerse and express themselves in a culturally and artistically rich environment. It also provides a venue where local artists of all kinds, particularly diverse and emerging artists, are given an opportunity to exhibit their work in a juried setting, many for the first time, in a fun, festive, community-based event.

We believe that the Aaron Douglas Art Fair inspires a sense of community pride while providing a nurturing environment for children to express themselves artistically, and an outlet for local and emerging artists from all walks of life.

The Aaron Douglas Art Fair is solely run by volunteers it is their time and our sponsors commitment that make this annual event possible.

THEN LET'S  
Sing It,  
Dance It,  
Write It,  
Paint It.

LET'S DO THE IMPOSSIBLE  
~Aaron Douglas, 1922

# The Art Buzz

There is a "buzz" building in Topeka regarding the arts. Your support of the ADAF will benefit the entire city by demonstrating that local businesses and foundations can step up and support something grassroots and wonderful. It will particularly benefit residents of Central Topeka by projecting a positive community identity, and encouraging enthusiasm and initiative in the area. Visitors from other parts of Topeka and the region will benefit from the annual occurrence of a safe, fun and creative atmosphere for people of all ages. Finally, artists of all ages and backgrounds who participate in the fair will benefit from the establishment of a venue for them to show and sell their work.

The funds requested will be used to pay for the operations of the fair including, but not limited to, tent rental, table and chairs rental, sound and electricity for live entertainment, and supplies for children's activities. These are operating costs not easily covered by specifically targeted sponsorships.

## The ADAF Committee

The Aaron Douglas Art Fair Committee is an affiliate of the Topeka TurnAround Team Inc. The TurnAround Team is established as a non-profit 501(c)(3) tax-exempt organization. The ADAF operates as an independent committee, with its own funding sources and officers. The ADAF is wholly responsible for the funding of the art fair. All funds raised are used towards the fair. All donations are tax deductible.
